Charlie Hazelwood Killed.

Just as the Register is going to press, news comes of the killing of Charlie Hazelwood by Casimiro Vasquez, the freighter, Thursday afternoon at a point about five miles beyond the Newman ranch in Lincoln county. Vasquez came in this morning and went to the residence of Deputy Sheriff Higgins and gave himself up, claiming self defence. He will be held there until the sheriff of Lincoln county can be notified and come after him. A messenger came in after Dr. Kinsinger last night to go out there, but Joe Meeks met the doctor about ten miles out with the news that Charlie was dead. According to the particulars given by Vasquez, he acted solely in defense of his property and his life, but the Register has not sufficient room to give the particulars in this issue.—Register.

The Ball Game at Pecos.

The Eddy ball team, or that portion of it prepared to go, visited Pecos this week, going down on the Wednesday train, the team from Roswell being on board the same train. Thursday, Pecos and Roswell contested for honors with the result that Pecos came off victorious in a score of 12 to 22. "Friday the Eddy team, composed of Kerr, pitcher; Lucas, catcher; Woodall, s.; Schwimmer, Hicks, Blackmore, assisted by Reeves, Harry Hamilton and a Californian named Dyer, tackled the Midland professional team, assisted by three of Pecos' best players. At the conclusion the game stood, Midland paid professionals, 16; Eddy, 4. The Pecos team thought best not to play Eddy. The Pecos people were loud in praise of treatment received while in Eddy but not as much can be said in favor of Pecos, for the most boorish, unmannerly, discourteous, ungentlemanly, impolite, hogish, pot belled set of rooters that ever insulted and disgraced a town the Pecos mob who continually jeered, sneered and roasted Theo. Kerr while pitching are the most foul. The large majority of the people of Pecos, especially the hotel man, Mr. Elkins, treated the team from Eddy well, but the gang of rooters was a disgrace. Eddy can beat Pecos four to one any time, but not the pro professionals played against Friday.

COMMITTED SUICIDE.

Fred A. Anderson editor of the Dona Ana, county Republican went to Albuquerque Wednesday and got on a big drunk, then at about 5 p. m. went to the closet in the rear of O. Bachechi & Co's saloon and with a 38. calibre pistol put a bullet through his body under the left nipple, just previous to which he had taken a dose of rough on rats. He died at 8 p. m. Anderson last year started the Dona Ana, county Republican in Las Cruces to if possible run out the old established paper the Rio Grande Republican which is conducted by Mr. Papen. Anderson was engaged in war on his newspaper contemporaries from his first issue and never made a success in any way. Insanity caused by inordinate self conceit was his failing though he laid all his troubles to whiskey. His first venture in the newspaper field was in Rincon where he started the Rincon Weekly, a couple of years ago formerly he worked at the case at the Democrat office in Albuquerque and in Anaconda Mont. Anderson leaves a wife with one child only two days old, and the mother is reported to be at the point of death.

The statistics of the sugar industry for the year 1896 show that the total consumption of sugar in the United States amounted to 2,099,819 tons, equal to a per capita consumption of 63 pounds. Of this amount 1,739,313 tons were imported from abroad and 354,506 tons represent domestic production—that is to say, for one ton of sugar manufactured in the United States we brought in five from other countries. These facts staring the people squarely in the face should go a long way toward encouraging the beet sugar industry in this Territory, as well as all other favorable localities in these United States.

Pecos Notes.

One night last week some Mexicans drove a wagon up to Boxley Overey & Co's store at Barstow, and after breaking out a window proceeded to load on about \$500 worth of goods and drove off; but in the darkness they got tired and lost considerable time and as daylight was approaching they abandoned the wagon after taking out a small quantity of goods and fled. Several suspects were arrested but as no proof was obtainable they were released.

A colony of sixty families of Dan-kards from Illinois expect to move to Barstow soon. They are a plain hard working, honest people, and will be welcomed to the valley with open arms. Barstow is shipping quantities of grapes east and larger vineyards are being planted, the grape does equally as well here as in the Rio Grande valley.

RESOLUTIONS OF REGRET.

Rev. T. F. Sessions departed on Monday's train for Alabama, where he will visit for a time with his people, going thence to Nashville, Tenn., to attend the Vanderbilt University for two years. Rev. Sessions has been two years in Eddy as pastor of the M. E. church South and has been a power behind the throne in his church. The church was more prosperous under his pastorate than at any other time in its history, and his departure has cast a shadow of gloom over his little flock, to whom he has endeared himself. During the two years stay of Rev. Sessions here the M. E. church has raised \$3,785 and the debt on the church has been paid off in full. Through laboring under many difficulties, he has never been found wanting in any thing and has worked hard and earnestly for the good of his people. This was Rev. Sessions first charge and he has made a record here which will go down to history as one of which any man could well feel proud. Under his supervision every branch of the church has prospered, and is left in good working order. The Epworth League, which was organized by him, and which was one of his works here, passed the following set of resolutions, expresses but slightly the love and esteem in which he is held by the Leaguers:

RESOLUTIONS.

WHEREAS, The hand of God has directed our beloved pastor, Rev. T. F. Sessions into a new field of labor, to there do His will; and

WHEREAS, We realize and feel what a great blessing Bro. Sessions has been to our League, and we desire to express our deepest appreciation of his great and noble work in Eddy and to give vent to the feelings of sorrow and sadness which hover around our hearts at the thoughts of separation which to-morrow calls him from us to another field of labor; therefore

BE IT RESOLVED, By the Epworth League of the M. E. church, South of Eddy New Mexico, that in Bro. Sessions we have found every trait of character which tends to make a man pure, noble and good in the sight of God; that he is a true and consistent christian worker one who has labored conscientiously for the up-building of the church the League, and Christ's cause in Eddy, one who has been the promoter of every aggressive step taken by the League and since since his pastorate of two years in Eddy; a minister who has stood for right and justice in the face of hell itself; that Rev. Sessions has been a blessing to the young people of Eddy, an honor and a stay to the church, a god-send to the town, and a blessing to all with whom he came in contact.

Resolved, That we heartily commend Bro. Sessions to the love and fellowship of christians wherever he may go, knowing him to be worthy of their respect and support as a minister of the gospel, as an Epworth Leaguer, and as a citizen and companion.

Resolved, That though our dearly beloved pastor is called to a distant land to there labor for his Master, and while we humbly submit to the will of God, it seems hard to lose one whom we cling to as a mother does to her only child, and in submitting ourselves to the will of God in taking away Bro. Sessions we do so with hearts bleeding and bursting with sorrow and regret and that God may be with him to protect and support him, is our humble prayer

Eddy, New Mexico, Aug. 15, 1897.

H. B. Davis, who departed on the same train with Rev. Sessions, has also been a leading light in the M. E. church and has done much to endear himself to the people of Eddy. Mr. Davis goes to Dallas, Texas, where he will make his future home. For the past year he has been superintendent of the M. E. Sunday school, and through his efforts the Sunday school has been built up until now it is the largest and best in Eddy. Mr. Davis was an especial favor of the young people and the following resolutions from the Sunday school seapka more forcibly than any words the CURRENT could utter.

RESOLUTIONS.

WHEREAS, Bro. H. B. Davis, our worthy and efficient superintendent is about to sever his connection with the Sunday school and depart for his new home in a distant city; and

WHEREAS, We desire to express our fondest affections for our superintendent and deepest regrets at his departure; therefore

BE IT RESOLVED, By the Sunday school of the Methodist Episcopal Church, South of Eddy, New Mex., that in Bro. Davis we have always found a zealous, true, and faithful superintendent; a superintendent who is respected and loved by every officer, teacher and pupil in the school; a true christian gentleman who has labored long and earnestly for the promotion of the christian cause, through his efforts in the Sunday school, the church and the league; a man whom to know is to love, honor and respect; and be it further,

Resolved, That though the best of friends must part in this case it seems more than ever of especial regret that such is the inevitable law of providence, and while we humbly bow to the will of God in directing the footsteps of our dear brother into a distant city, we do not the less regret his departure, and it is with the hope, the prayer, that God may be with him, to guide and direct, that we say "Farewell" to our beloved superintendent.
